

BOOK YOUR SPOT!

Three ASHRAE short courses will be presented during the upcoming FRIGAIR Expo 2018. Each speaker was hand-picked from ASHRAE's vast pool of international experts to present these topical courses. (CPD points up for grabs!)

ASHRAE SHORT COURSES AT FRIGAIR Expo 2018

DESIGNING AND OPERATING HIGH-PERFORMING HEALTHCARE HVAC SYSTEMS

(Wednesday, 6 June 2018, 09:00–12:00)

This advanced course discusses the design and operation of HVAC systems for health care facilities. The course details the relationship of infection control and HVAC design. The course details the key elements of high-performing health care HVAC systems, including infection control, comfort, reliability, safety, maintenance, energy, and flexibility.

VARIABLE REFRIGERANT FLOW (VRF) SYSTEMS: DESIGN AND APPLICATION

(Wednesday, 6 June 2018, 13:00–16:00)

VRF systems are now becoming increasingly utilised across the world. This course provides non-manufacturer-specific concepts of the unique operational characteristics of VRF systems and how to apply VRF systems to a wide range of building types. This course is geared to mechanical engineers, design-build contractors, consulting engineers, HVAC system designers, and facility engineers.

BASICS OF HIGH-PERFORMANCE BUILDING DESIGN

(Thursday, 7 June 2018, 13:00–16:00)

This course focuses on the basic application of relevant ASHRAE resources and the ASHRAE Green Guide, to achieve high-performance building design. The course explains the differences in purpose and requirements between these various standards, and provides recommendations on the selection of which requirements to adopt into a building project. Course content should be suitable for architects and engineers.

COST PER SHORT COURSE

SAIRAC and ASHRAE members: R1 200 (including VAT)
Non-members: R1 750 (including VAT)

SEND BACK YOUR BOOKING

Complete the following booking form and send it back before 30 March 2018 to secure your spot. Please also send through your proof of payment. No bookings will be accepted without payment.

Return to: Ilana Koegelenberg via email ilana@interactmedia.co.za; or fax +27 (0)11 450 1920. Bookings will be made on a first come, first served basis. Please note that space is limited.

REGISTRATION FORM – PLEASE PRINT INFORMATION

Full name and surname:.....
Membership number (if applicable)..... Company name:
VAT number (if company is paying)..... Contact number:
Postal address:.....
Company registration number:..... Email.....
Dietary requirements:.....

SELECT WORKSHOP(S):

- Designing and operating high-performing healthcare HVAC systems
- VRF systems: design and application
- Basics of high-performance building design

PAYMENT TO BE MADE TO:

Account name: Interact Media Defined | Branch code: 250 655 | First National Bank | Account number: 62 489 290 016.

AFRICA'S ONLY DEDICATED HEATING, VENTILATION, AIR CONDITIONING, REFRIGERATION & ENERGY EVENT

**DEADLINE FOR BOOKING
30 MARCH 2018**

**VENUE: GALLAGHER
CONFERENCE CENTRE,
MIDRAND, GAUTENG**
